Dear Neelima:

I should like to thank you for coming to Asia at Noon to present on Dance Traditions of India in early November. As I look back on the various programs we had this fall, this one stands out as one of the best. We all were impressed by the thoroughness with which you treated the subject matter, and the effectiveness of your on-line presentation. We came away with a deeper appreciate for and detailed understanding of the arts of Andhra Pradesh.

Our secretary, Mary Anne Lang, has been working to process your honorarium. Please contact me if this is not going forward according to our commitment.

We also appreciate Professor Ramya Sreenivasan for introducing you. She is making an impact here at the University for Indian and South Asian studies.

We send you are best wishes for the New Year.

Regards,

Thomas W. Burkman, Director of Asian Studies
